

Application for the purpose of residence of 'study' (recognised sponsor) Higher education (392)

1 Who can submit this application?

You can only use this form if you have been recognised as sponsor by the IND or are the authorised representative of the recognised sponsor. It concerns an application for the following procedure:

> Please tick the applicable situation

You can only use this form if you have been recognised as sponsor by the IND or are the authorised representative of the recognised sponsor. It concerns an application for the following procedure:

- Procedure for Entry and Residence: the student still resides abroad and is obliged to apply for a regular provisional residence permit.
- Procedure for a regular residence permit: the student is not obliged to apply for a regular provisional residence permit and resides in the Netherlands or still abroad.
- Extension of the validity of the residence permit.
- Changing the residence permit (together with extending the validity of the residence permit): the student already has a residence permit and wants to change his residence permit to the purpose of residence of 'study'.

Make sure that this application is received by the IND in time. Therefore, submit the application before the validity of the student's current residence permit expires. Please note! Do not submit the application later than 4 weeks after the expiry date of the residence permit. This is important to prevent the student encountering a residence gap. A residence gap is an interruption in the residence. This has consequences for any subsequent procedures. Do not submit an application for extension of the validity if the residence permit is still valid for more than 3 months. The IND will disregard an application for extension which is submitted earlier than 3 months before the expiration date of the residence permit.

Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
 - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
 - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.

Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Appendix Submitting and paying for the application by the sponsor

Do not enclose this appendix with the form!

Below, you can read how you can submit and pay for the Entrance and Residence Procedure (TEV procedure), the application for a residence permit (without a regular provisional residence permit) or a change to the restriction on the residence permit. *Please note!* If the foreign national relies on an exemption from the requirement to apply for a regular provisional residence permit you cannot send the application by post. In that case, the foreign national must always submit the application to the IND Desk in person. Please visit www.ind.nl for the ways you can contact the IND.

Submitting the Entrance and Residence Procedure (TEV procedure), a residence permit without a regular provisional residence permit or a change to the restriction on the residence permit

You send the application form, the appendices and the requested evidence to the IND by post. Never send any original evidence. You must send clearly readable and full copies of the original evidence. Do not use any staples or paperclips. Do not send any USB sticks, CDs, DVDs and suchlike. Put all evidence in a sufficiently stamped envelope. Send your application to the following address:

Application for an economic purpose of residence (work, study, for example)

**Immigratie- en Naturalisatiedienst
Postbus 5
9560 AA Ter Apel**

Application for a social purpose of residence (family formation or family reunification, for example)

**Immigratie- en Naturalisatiedienst
Postbus 16
9560 AA Ter Apel**

How do you pay?

An application is not free of charge. The costs depend on the purpose of the residence applied by you. After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay (unless you use a direct debit collection) (*direct debit collection is not available for private persons, non-recognised sponsors, recognised sponsors relating to 'exchange' established in another Member State of the EU, EEA or Switzerland and applications for recognition as sponsor*). Here, you can find no information about the costs or any exemption from having to pay fees. Please visit www.ind.nl if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

What happens with your application?

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information

Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Please note! If you do not agree with this withdrawal, you can have it reversed. Please contact your bank for this within 8 weeks. Ask your bank for the conditions. The IND does not accept a form that is not filled out completely or illegibly. (Version 2018b)
