

Authorisation declaration

With this *Authorisation declaration*, you authorise someone else to act for you. Is that other person your lawyer? Then an authorisation is not necessary.

In section 1 you enter your details.

In section 2 you enter the details of the person you want to authorise.

In section 3 you indicate what the authorised person may do for you.

In section 4 you can read which documents you need to enclose with your *Authorization Declaration*.

Please note! Complete this authorisation truthfully. Not doing so is a criminal offence. The IND will report this in all cases.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
